

WIDMER ELECTRIC EMBOSSE

MODEL E-3

Features

Widmer's E-3 electric embosser is instantaneous, accurate and low cost. This embosser is perfect for single sheet certificates, diplomas, and legal documents.

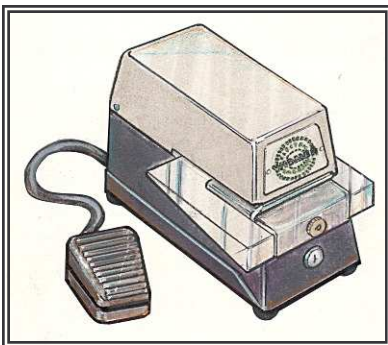

Single hand operation, no buttons to push. The trigger mechanism can be set to at the same consistent depth and a guide shelf is available to allow for correct positioning every time.

Stamping pressure can be easily electronically adjusted so the dies do not cut through the document.

Model E-3

With optional security lock and adjustable guide shelf

Specifications

7 1/4" (H) x 4 3/4" (W) x 10" (D)
18.4 cm (H) x 12 cm (W) x 25.4 cm (D)
Shipping Weight: 17lbs, 6.3 kg.
Two-tone light & dark Gray finish

The seals may be simple engraving (text only), at the base price, or complex designs on quote. Seals can print on the edge of the document, using extension trigger option or up to a maximum of 2 1/2 " from the edge of the document to the center-line of the seal.

Trigger depth will vary with the diameter of the seal..

To Operate, simply plug into an ordinary AC lighting circuit and insert paper into throat to emboss your paper.

Sample Embossment (Pencil enhanced)
