

Heavy duty General purpose Trimmer

KOBRA 640-HR

Cutting width (in.):	25,5
Cutting capacity:	up to 24
Paper press:	automatic
Hand protection guard:	yes
Dimensions (in.) :	34x15x4,5
Weight (lbs.):	13

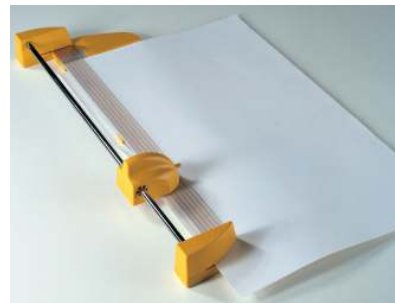

Large size heavy duty rotary trimmer. Can cut up to 24 sheets of paper and paper sizes larger than the rated cutting width through a special side opening for almost any cutting job and for a variety of material. It's equipped with a special sharpened carbon steel blade unaffected by the wearing action of the materials to cut, for long-lasting cutting operations with the same cutting precision through the years.

- Transparent automatic paper press for easy cutting operations
- Side bars for easy alignment of material to cut
- Solid steel base with screen printed photographic and paper sizes in mm. and inches
- Special side openings to cut paper sizes larger than the rated cutting width
- Sharpened carbon steel blade, easily replaced by the push-button mechanism
- High quality materials according to ISO 9000 Standards
- Built in accordance to the Safety Standards BS 5498 (British Standards)
- Trade Agreement Act (TAA) Compliant
- Accessories: steel blade, counter blade

Special **sharpened carbon steel blade** to cut high thickness of paper

Special **side opening** to cut paper sizes larger than the rated cutting width
